"At the centre I draw and write and go on the slide," Faisal,* 5, says. "I paint! I paint everything! Especially bears."

THANK YOU, Mercia School - YOU ARE FUNDRAISING STARS!

We would like to say a **great big thank you** for raising a fantastic **£1,312*** through your bake sale.

Save the Children exists to help children reach their potential so they can become who they want to be. This is possible thanks to supporters like you.

Faisal is a refugee. His family had to leave their home in Syria because it wasn't safe there.

Faisal now lives in a camp in Jordan. Life here isn't easy for children, but it seems nothing can keep Faisal from spreading his wings.

Faisal attends our early learning centre in the camp. He'll be starting school next year, so we're making sure he's ready to hit the ground running.

The centre also gives Faisal a safe space to use up his endless energy. He can chat, bash the tambourine, swing on the monkey bars, build forts, and come up with his next big idea.

Thank you for helping children like Faisal all around the world!

Best wishes
